We highly recommend Robert Moul, of Moul REALTORS, if you are looking to purchase a home. He worked tirelessly finding the best home for us in a hot market. He got us into a home before it hit the market and we were able to go pending before it even went live. THANK YOU ROBERT!!! We love our new home.

KNOWLEDGEABLE, RESPONSIVE, PROFESSIONAL! Robert was highly recommended by a family friend and after working with Robert I can see why. After my initial meeting, where we discussed my preferences, Robert was able to find several choices to start the search. With each viewing he was able to better understand what I was really looking for. Once I discovered my preferred neighborhood, he went above and beyond to find a house there in my price point. Robert then negotiated tirelessly with the seller to get the best deal on my house. He kept me informed throughout the process and was always willing to answer any questions or concerns. He has a great team working with him and was able to connect me with an excellent mortgage person as well. I would highly recommend Robert and his team for buying or selling your properties.
